NOTICE OF FERTILIZER/WEED CONTROL TREATMENT

This notice is to be provided whenever fertilizer/weed control is to be applied to this facility. The information will be posted using the methods identified in the annual Advisory to Parents.

Attention: Parents/Guardians of students attending this facility:

This facility utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a fertilizer/weed treatment is expected to be applied to control: **Weeds**

The approximate location of this pest control treatment is: **Athletic Fields**

The anticipated date of treatment will be: **November 19, 2024 -November 26, 2024**

If you have any questions pertaining to this treatment, please contact:
