XII. CALENDAR ACT OF GOD DAYS

- A. For the 2024-25, 2025-26 and 2026-27 school years, the school calendar shall consist of: One hundred eighty-five (185) staff days (minimum hours consistent with Michigan law for Student contact hours and professional development hours) and a minimum of one hundred eighty (180) student instructional days (minimum hours consistent with current Michigan Law). A combination of half days and full days of in-service for professional development may be used. On the last day of each semester, teachers will not be required to work once the students have left. Some staff development will be incorporated into the instructional hours. Any changes in the school calendar will be negotiated with the Association annually on or before April 1 and attached to the contract, as Schedule C, amended. The total annual salary of each teacher is based upon the total number of days scheduled. In the event of make-up of student instructional days/hours lost due to circumstances outside the control of the district, make-up of student instructional days/hours will be no more than the state mandated student instructional days/hours needed to qualify for state aid without penalty.
- B. Should a closing that occurs because of conditions not within the control of school authorities require the scheduling of additional days/hours of student instruction because previously scheduled days/hours could not be counted to meet State minimum student attendance requirements, the days/hours shall be made up at the end of the school year unless negotiated differently. Professional development hours will be used to compensate for any hours lost to fog delays or early Act of God dismissals as long as the District does not lose State Aid. If the District is allowed State Aid for Professional Development instead of counting it as instructional hours, this paragraph shall be void.
- C. If at any time during the life of this Agreement it becomes lawful to count as days/hours of pupil instruction days when pupil instruction is not provided due to conditions not within the control of school authorities, such as due to inclement weather, fires, epidemics or health conditions, it is agreed that the following school closing provision shall become immediately effective. When an Act of God or an employer directive forces the closing of a school or other facility of the employer, bargaining unit members shall be excused from reporting to duty without loss of pay. Days/hours lost due to school closing under the foregoing circumstances shall not be rescheduled. To the extent that any other provision of the collective bargaining agreement such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provisions shall be null and void as to the extent of the inconsistency.

XIII. CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this agreement. The Association accordingly agrees that it will not, during the period of this agreement, directly or indirectly engage in or assist in any strike as defined by Section I of the Public Employment Relations Act.

B. Nothing in this article shall require that the Board keep the schools open in the event of severe or inclement weather or otherwise when prevented by an Act of God. When the schools are closed to students due to the above conditions, teachers shall not be required to report for duty. Teachers could still be required to teach in a virtual learning environment.

At the beginning of each school year, teachers will be provided with 3 days of paid time off (PTO).

1. Use of Paid Time Off

PTO days may not be used on the last work day prior to a school recess or the first work day after a school recess.

Teachers must notify their supervisor to use a PTO day at least 48 hours in advance of the absence. In cases of emergency, the administrator may waive the advance request period.
